

# Breastfeeding Solutions at a glance

**Getting ready for your breastfeeding journey? We've got you!**

**At Medela, we offer science-based breast care solutions to support you every step of the way.**

**For personalized advice, always talk to your doctor or other healthcare professional!**

## SORE NIPPLES

### Purelan™ Lanolin Cream

- Fast relief for sore nipples and dry skin
- Medical-grade lanolin cream, natural certified by **EcoCert** and **Natrue**
- Safe for baby, no need to remove

## CRACKED NIPPLES

### Hydrogel Pads

- Soothes and cools sore or cracked nipples providing instant pain relief
- Supports faster healing of damaged skin
- Protects against rubbing and sticking to clothing

## LATCHING DIFFICULTIES

### Contact™ Nipple Shields

- Enables breastfeeding if latching-on is difficult or painful
- Protects and helps to heal sore and cracked nipples
- Made of ultra-thin silicone with cut-out section to maximize skin-to-skin contact

## MILK LEAKAGE

### Ultra-breathable Nursing Pads

- Absorbs and locks-in leaked breast milk to protect clothing
- Triple-layered core absorbs 50x its own weight
- 1.6mm thin and contoured to remain discreet

To support lactation during breastfeeding challenges a breast pump may be indicated
